Dear Jim:

On Friday I phoned to tell you that Bill would be delighted to come out the morning of June 19.

Can you tell me at what time we should be where?

I am writing to John Rielly to say that day might be a good day for a luncheon appearance before the Chicago Committee.

Bill has operated on the basis of his comments being available for such use as your people may wish to make of them without attribution to him or any Government official.

Sincerely,

Angus MacLean Thuermer
Assistant to the Director

P.S. I'll probably be with Bill.
